

Guardian Camp - Parent Questionnaire

Please find the attached kit list, we anticipate parents will need for this camp.

If you are missing any items, please let us know via the OSM signup asap so we can see if we can source.

• If buying camping equipment for this or another camp, feel free to ask Leaders for advise on equipment suitable for year-round events

• Parents attending should help pack their own kit and not leave their Scouts to pack, so they know what they have!

Parents Should Not Need – Knives, Expensive Watches, etc. The Group will not take any responsibility for loss or damage.

Activities

- Walking Boots
Generally Optional, but may be needed to fully participate in some activities like Axes and Saws etc.
